

*A Hint to Housekeepers! A Hint to Housekeepers!*

# O'Neill's.

**Buy Your Blankets Now!**

The new Tariff, which places a duty on wool, does not affect our prices. We bought these blankets months before the new schedule was thought of, and bought them cheap, too, so cheap that we are able to make these exceptionally low prices. Buy now if you would save money, the prices will be higher by and by.
